

ARIZONA RESERVATION MINISTRIES

Home Building & House Blessings

God's ARMs Around the Reservation

ARIZONA RESERVATION MINISTRIES

was established in April of 2002 to provide 'God's ARMs around the reservation.' ARM exists to make disciples, empowering our Native brothers and sisters to meet the physical and spiritual needs of their community, motivating them to become active members of local, Bible-based churches. ARM assists in many ways!

Currently, ARMs are provided for Home-building, children's and youth ministries from our mobile ministry centers, hosting prayer journeys around the reservation with visitors from across the US, mentoring teens/adults, partnering with Apache churches and an Apache-led ministry, Bible studies and more!

Only through the Hope in Christ do we see a brighter future on this reservation! We fully believe in the power of prayer and pray often. As 2010 unfolds, we eagerly welcome our first Native team members! The numbers of these friends grows; serving both in the home-building aspects of ARM and our Children's Ministries as well. We are also earnestly working toward appointing Natives to our Board of Directors.

What we honestly need most is your prayers. Thanks for reading about us...and thanks for praying!

The Tools We Need...

Here are some things that are needed to build homes:

- Lowe's, ACE or Home Depot gift cards
- 16 d nails
- 25' tape measures
- Speed squares
- Utility knives
- Chalk lines
- Flat bars
- 24"-72" levels
- Drywall finishing tools
- 1 1/2" drywall screws
- Screwdriver sets
- Socket sets
- Sledge hammers
- Circular saws/worm drive circular saws
- Ryobi-Lithium Ion 18-volt batteries
- 16'-24' extension ladders
- 4'-10' step ladders
- 1/2" right angle drill
- Hammer drill
- Wood drill bits sets
- Reciprocating saw (sawzall)
- Ryobi 18-volt power tools
- Pneumatic roof nail guns
- Pneumatic finish nail guns
- Pneumatic brad nail guns
- Pneumatic hoses
- Funds to complete a home

God's ARMs Around the Reservation

The Need

In 2005, a representative from ARM had the privilege of meeting with the Tribal Chairwoman of the San Carlos Apache Tribe. In that meeting, her face lit up when asked if ARM could help with the need for additional homes for her People.

The next step was a meeting with the Tribal Housing Authority. In that meeting the news was shared that over 1,500 homes are needed today. Families may wait up to 15 years for a home of their own.

Homes on the Reservation range from the size and appearance of a garden shed (some family members perhaps sleeping in the abandoned car

out front) to 1,300 square feet. Within the walls of these larger homes, as many as 20 people may reside. Cramped quarters, drug and alcohol abuse and gang activity contribute to a vicious cycle where "home" is anything but peaceful and safe.

The need for adequate housing is critical. God has called Arizona Reservation Ministries to assist with this need.

Arizona Reservation Ministries has established an "application process." This process is heart-breaking, as over 35 applications will be submitted for every

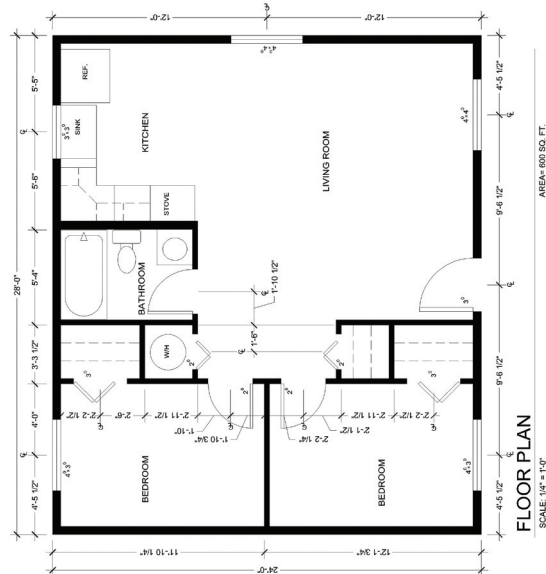

one home we will build. If a family of 20 live in a single-wide mobile home, but

the roof is intact and the toilet is not falling through the floor, many are in greater need.

The need is tremendous. Through God's leading, in January of 2010, Arizona Reservation Ministries entered into a partnership with Amor Ministries. Amor recruits volunteers to build homes in South Africa, Bangladesh, Mexico...and now also San Carlos! This partnership is allowing over 14 homes to be built in 2010 compared to the four ARM was able to complete in 2009. We are still building homes as well! While ARM continues to build homes with framed walls, Amor staff is investigating other products to create more energy-efficient homes that can be built with their larger teams of volunteers.

Both ARM and Amor are dedicated to creating a board of Apache Christians who will, Lord willing, soon handle not only the task of home designation, but also consistent Christian follow-up and fellowship with those receiving a home. As in every aspect of this ministry, we are committed to yielding to the leadership of Native Christians and assisting them in whatever means possible.

Before any construction begins, ARM, in partnership with the Tribe, establishes that the site lease belongs to the family designated as recipients to ensure that they will be the ones to move in once their home is completed.

How You Can Help!

There are multiple ways you can assist with this project! The first and most important is your prayers! Please pray for wisdom as we pass through the application process, determining who is in greatest need today for a home. Pray also for the LORD to

send workers, for necessary funds, for safety at the work sites and for those receiving the home to not only see Christ in those building their home, but

deeply desire their own relationship with Him as well.

Building a home requires much labor! Volunteers from across the US are the primary laborers in creating a home for a homeless Apache family. We are also thrilled with the interior and exterior walls, and floor sections that are being constructed in church parking lots, etc. across the US and then shipped to us!

Creating a home requires a lot of funds! In order to complete a home, nearly \$18,000 must be raised. Each short-term ministry team that works on a home contributes approx. 75% of their funds toward that home. Additional funds are needed to complete each two-bedroom home.

For more information regarding this project, please feel free to contact us at (928) 425-8449 or online at information@azrez.org.
